DEPARTMENT OF PATHOLOGY
ANNAPOORANA MEDICAL COLLEGE AND HOSPITALS, SALEM
WEBINAR ON
“BETHESDA SYSTEM FOR REPORTING THYROID
CYTOPATHOLOGY”

DATE: 09.03.2021

TIME 11:00 AM TO 12:30PM

Department of Pathology, Annapoorana Medical College and Hospitals, Salem conducted a webinar on the topic “Bethesda system for reporting thyroid cytopathology” by the Guest speaker Prof. Dr. Shameem sheriff MD., PhD on 09.03.2021 (Tuesday). The webinar was attended by 459 delegates which included undergraduates, postgraduates and faculties from AMCH , Government Mohan Kumaramangalam Medical College , Vinayaka Missions Kirupanandha Variyar Medical College and Hospitals , Government Perudurai Medical College , Karpagam Faculty of Medical Sciences and Research and from various colleges across Tamilnadu and Karnataka. The session lasted for one and a half hours and the speaker covered the basics and also the recent advances in the topic. The quiz session in which the speaker gave case scenarios and the discussion after the quiz was the highlight of the session. The deliberations about diagnosis was very much thrilling. She guided how to keenly go through the history given in each case which will be a clue to probable diagnosis. She added the importance of ancillary tests and also emphasized that educational notes to be added in a case report. The questions raised were cleared by the speaker at the end of the session. E certificates were issued to the E mail of all the delegates.
