**“LABORATORY APPROACH TO A THROMBOTIC DISORDER”**

**DATE: 04.11.2020**

**TIME 11:00 AM TO 12:30PM**

Department of Pathology, Annapoorana Medical College and Hospitals , Salem conducted a Webinar on 04.11.2020 (Wednesday) on “LABORATORY APPROACH TO A THROMBOTIC DISORDER” between 11:00am to 12:30pm. The guest speaker was Dr.T.M. Subbarao MD (Path), Professor and Head , Department of Pathology, PSG Institute of Medical Sciences and Reasearch , Coimbatore. The webinar was attended by 403 delegates which included undergraduates , post graduates , faculty from AMCH , Vinayaka Missions Kirupanandha Variyar Medical college and Hospitals, PSG IMS and R , Coimbatore , Karpagam faculty of medical sciences and research and faculties from various colleges across Tamilnadu and Karnataka. The speaker covered the basics as well as the recent advances and the applied aspects in the laboratory diagnosis. Hence it was useful for the undergraduates as well as the post graduates. The session lasted for one and a half hour. Many questions were raised through chat box at the end of the session which was cleared very well by the speaker in the interactive session. Feedback was obtained from the delegates. E certificates were issued to all the delegates through E mail.
